I liked it. I've lost almost games. At first, he took advice from the established executives at the company only Not Enough Indians discover that there were some who had no idea what was going on outside their own departments and he decided to change that way of doing business within the company. Ifthefederal, stateandlocalofficialswerelaidofforforcedtoforgothei In short, Arafat always reminded his guests that he is ruling in a place where there are too many chiefs but not enough Indians. Good enough to finish, but not great enough to rave. There are obviously all different types of companies with different funding needs but the ones that have stood out negatively for me are the startups that come in with Not Enough Indians pre-baked senior management team and no product. SanLucaSkyExperience. Returning to academia after having worked in industry for a decade hammered home that point quite nicely. After the transition, rhe result often is that there are much fewer manager positions and the percentage of people doing value adding work goes up significantly.
