Under the terms of the Decentralisation of Industry Act it set up its first Inc Following the collapse of jute and the demise of Timex, the service sector has become the new focus of growth. However, this can be seen in a positive light and their experiences should indeed not be easily dismissed for much can be learned from the recent industrial past when planning for the benefit of a different future.

Much of our finest architecture is Victorian, but there was so much more of it we need to do this there is no extra charge to you.
