A water glass full of whiskey And women that I never knew too well
Lord, the things I've seen and done Most of which I'd be ashamed to tell
I don't know how it started But that's what makes a man a man,
I guess Now I'm holdin' on to nothing' Tryin' to forget the rest
I'm lookin' back on my life To see if I can find the pieces I know that some were stolen
And some just blew away Well, I found the bad parts Found all the sad parts
But I guess I threw the best part away Lord, the pieces of my life,
They're everywhere, they're everywhere And the one I think I miss most of all
