By virtue of this principle, the State cannot and must not take away from families the functions that they can just as well perform on their own or in free associations; instead it must positively favor and encourage as far as possible responsible initiative by families. Accordingly, every effort must be made to render such knowledge accessible to all married people and also to young adults before marriage, through clear, timely and serious instruction and education given by married couples, doctors and experts.

Islamsaysthatitisnotonlyeachchild'srighttogeteducation,ratheritis The Church is called upon to manifest anew to everyone, with clear and stronger conviction, her will to promote human life by every means and to defend it against all attacks, in whatever condition or state of development it is. Still, as a consequence of political choices that decide the direction of research and its applications, science is often used against its original purpose, which is the advancement of the human person.

AllahtheAlmightysays:Thisday,Ihaveperfectedyourreligionforyou,com a woman who is type-A and very career and academically oriented. For a human being to lead a total life, he or she must have both forms of energy: the power of strength and the power of subtlety; the power of giving and the power of receiving.
