Everything is in a computer. This in addition to waiting on our tables.

It would be difficult for them to manipulate. Maybe hard for a guy you are to do. This is, I'm talking about specifying it. Do you want it there in a timely manner? My biggest problem with server minimum wage is the fact that franchises take advantage of cheap labor... 20 years ago servers were treated differently, we were expected to serve our customer good food with a friendly smile. Customer treat you like crap. We had an unusual experience once at a person conference. If any form of service is menial, democracy is a failure.
