Britain is a major contributor to the EDF programme, but this will end. Failure is never the end but you must learn how to use it to your advantage.

Your network directly correlates to your network. School is not a nation tea

The times I spent more than I earned, took on projects too big for me without asking for help and when at super critical moments I crashed and burned because I was not taking care of my health. DeFoe is a sought after keynote and conference speaker, trainer and workshop knowledge facilitator across the United States, the Caribbean and Africa.
