It will be invaluable to students and readers looking for critical approaches to the short story and wishing to deepen their understanding of how authors have approached and developed this fascinating and challenging genre. I can sense 19th century Europe in his stories as much as I can the David Foster Wallace, Ben Marcus and other talented late 20th century writers. This will, however, allow a focus on a group of remarkable short stories in The Piazza which have not always obtained the attention which they deserve.
