So schools in a wider public nuance, IMHO, have failed for decades. Again, as an instance of distraction in prayer : ' While the mind is chanting, it is thinking about something else besides what the text of the psalm itself contains ' Col- lation X, And we should try to pass systematically through these four phases of prayer, for we shall not attain to the sublimer kinds unless our mind has been little by little and by degrees raised through the regular course of these prayers. Heisaproponentofliturgicalworship,classicaleducation,familydevoti We need to be able to preserve what was good and beautiful about Western culture. It may be well to confirm these impressions, which are the fruit of a pro- longed study of the literature of early Christian monachism, by the words of another worker in the field of early monachism in Gaul and Italy.
