In Chinese-Japanese Cook Book (Cooking in America) 'Rules for
Cooking' pages, one gets impressions that the authors either
had a cleaning fetish or never saw a kitchen for more than a
few seconds. I like them all! I still would have liked for
more cuisines to have been represented I get that maybe it was
hard to track down a Tibetan American grandmother, but again,
the editor herself could have infused a little more of her own
heritage in the cookbook so that it wasn't so heavy with the
"usual suspects" - the one nice exception is Filipino cuisine;
there are a good number of Filipino dishes, which you don't
always see getting equal floor time in pan-Asian recipe
collectionsbut there's definitely more than enough to keep me
and other Asian-cuisine-loving homecooks busy.
