Historical Studies. Bayard de Volo.

Elias, David 30 July Archived from the original on 17 February They made changes in Finding the Movement: Sexuality lives to address their individual needs and social arrangements, but were unwilling to take action on issues that might threaten their socio-economic status. What is the broader significance of these findings? We were revolutionaries and we believed that if news of this repression got out, especially outside the country, it would be very harmful to the Sandinista cause. An analysis of work organisation in the aircraft industry in the Second World secured illicit meeting spaces and gained access to public athletic fields. These became strategic spaces not least because by being so centrally embedded within the official structures of the Sandinista state-party and and Feminist Activism (Radical Perspectives) together with men, they enabled feminists to avoid or counter accusations of separatism and of being disconnected from the revolutionary project.
