Love is not as important as good health. This calm steadiness of the senses is called yoga. Yoga is designed for a vast and profound purpose, and for it to be truly called yoga, its essence must be embodied.

And this Body & Spirit the point of spiritual practice; to make us teachable; The choice does not belong to fate, it belongs to you. It is a science of well-being, science of youthfulness, science of integrating body, mind, and soul. He experiences himself, his thoughts, and feelings, as something separated from the rest— a kind of optical delusion of his consciousness. Error rating book. Most Popular.
