Still facing the NW corner, stand up and glance back, with your left palm as your left foot comes forward. He will probably take a step back to avoid the kick. Now perform the same movements as before only in reverse.

We see them teaching very complicated techniques as street techniques. We meet and train in the freshness of the outdoors so come prepared. The practice was designed to quiet the mind and focus the intent as a prelude to enlightenment. Even though it is free, it is still covered by international copyright laws. In later stages of practice, you are able to create energetic vortices that does not seem as if the Bagua practitioner is able to defend himself until he does. I laughed and sighed.
