Bicameralism and representations of democracy. This shift in balance has been further fuelled by the increase in the number of conflicts arising from the disaffection of the diverse ethnic or religious minorities residing within these states e. InternationalJournalofConstitutionalLaw161:17-Itprovidesarangeof Aroney, Nicholas A federal constitution for the United Kingdom? Constitution-making within a Westminster-derived context. After the fall of the Berlin wall and the disintegration of the former USSR and Yugoslavia, it has widely been assumed that socialist federations have become a thing of the past. Kritzereds. The contributors focus on the development and institutionalization of the principle of federalism in the American Republic and examine the historical development and central policy debates surrounding European federalism.
